Supercharged LED facial

Transform the health of your skin with this effective, clinically proven express treatment. Light Therapy can focus on all the major skin concerns such as acne, redness, rosacea, pigmentation & breakdown of collagen & elastin. This non-invasive treatment will re-energise & re-charge all your cells so that they perform & behave more optimally. When treating skins with bacterial breakouts the LED increases healing & eliminates the P-Acne bacteria that cause those breakouts. All LED treatments are customised by our highly trained therapists for your individual skin concerns.

Pomegranate Enzyme Peel

\$139

The ideal entry level peel for even the most sensitive of skins to renew and boost hydration.

This gentle yet effective enzyme peel is a must have! Pomegranate enzymes effectively lift and digest redundant cells whilst Peel Moist, Multifruit BSC, Lactic Acid and Jojoba esters hydrate, moisturise, repair and reduce inflammation. An ideal peel to combine with LED light therapy.

Oxygenating Enzyme Peel

\$139

An instant pick me up to awaken, renew and smooth. Perfectly formulated with high levels of Natural Fruit Acids, Papaya, Pumpkin and Pomegranate enzymes and perfectly infused with intense oxygenating and moisturising super peptides! This treatment increases hydration of your skin cells whilst significantly accelerating your skin's cellular renewal process. Hydrate, plump and renew your skin in just one application!

Pumpkin Enzyme & Fruit Acid Peel

\$139

Perfect for sundamaged skins & age correction. This peel is the perfect formulation of 30% Pumpkin enzymes, pumpkin extract and natural fruit acids married together with the healing and moisturising benefits of Jojoba esters. This peel effectively eliminates redundant cells therefore accelerating your skin's cellular renewal to reveal fresher, smoother skin whilst restoring natural barrier function and increasing hydration.

Bio-White Peptide Peel

\$139

Hi-strength vitamin C and peptide peel, especially for pigmented, uneven skin tone, dull and devalitized skins. A unique biomimetic peptide encapsulated in a liposome allows optimal whitening and lightening effects on your skin. With concentrated levels of Vitamin C, encapsulated Resveratrol, Niacinamide and natural fruit acids this treatment has the power to stimulate cellular turnover whilst protecting collagen and elastin! It is anti-ageing, hydrating, brightening, nourishing and anti-inflammatory.

Catalyst Retinol Peel

\$139

The perfect Vitamin A age prevention peel. Perfect for all skin types looking for skin health, repair and correction. Concentrated levels of pure Retinol and encapsulated Retinol, Niacinamide and Natural Fruit Acids work together to counteract skin aging, improve the appearance of UV damage, normalise keratinisation to improve your skin cell turnover, refine and resurface the skin, even out skin tone and provide potent anti-inflammatory activity in even the most weakened skins.
